

Expanded Series

Oilless Bushing (KPF)

Flange Type

● Order No. Example

KPF 05 10

Type Inner Diameter d Total Length L

Oilless Bushing No.

An oilless sliding bearing which shows its great effectiveness in places which are difficult to oil, or where the lubricating effect cannot be maintained. With a high-strength brass base and embedded solid lubricant, it is an oilless type which can be used in places with a high load.
